# The Distinctive System

of The Scottish Provident Institution

*THE Distinctive System* has stood the test of over 100 years, during which the soundness of its principles and the equity of their application have been amply proved.

Under *The Distinctive System* the premiums are so moderate that at the usual ages for assuring the yearly sum charged elsewhere for a Whole Life Assurance of £1,000 (with profits) will here secure from the first as much as £1,300 or thereby, with ultimate right to share in the Surplus. The additional £300 is equivalent to an **Immediate and Certain Bonus of £30 per cent.**, as large as can be looked for in other Offices only after many years.

Assurances may be effected for amounts from £100 upwards.

*EXAMPLE : At age 30 next birthday the annual premium for a Whole Life Assurance of £100 is £1 15s. 2d.*

A Prospectus will be sent on application.

The question of cost need not be unduly considered, as a very moderate sum can secure a memorial of really fine design and craftsmanship. A parcel should not be posted in a letter box. It should be marked "Parcel Post" and presented at the counter of a Post Office.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

A parcel known to contain a prohibited article, or a parcel intended for delivery at an address other than that borne on the parcel itself, is liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

Undeliverable parcels which do not contain the address of the sender and are not applied for are liable to be disposed of after three months. Parcels containing perishable articles will be dealt with as may be requisite.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

## INLAND CASH ON DELIVERY SERVICE.

Under this system the Postmaster-General undertakes on certain conditions to collect from the addressee the value of an article delivered either by parcel post or by registered letter post (but not by ordinary letter post), and to remit it to the sender by means of a special Order. By arrangement with the Railway Companies the service is applicable also, within certain limits, to consignments sent by rail.

The C.O.D. fees, which are additional to the ordinary postage, vary according to the Trade Charge (*i.e.* the amount to be collected), and are fixed on the following scale:—

Trade Charge not exceeding 10/.....	Fee	4d.
Do. £1.....	„	6d.
Do. £2.....	„	8d.
Do. £5.....	„	10d.
Do. £10.....	„	1/-.

and 2d. for each additional £5 or fraction of £5 up to a maximum of £40.

Full particulars of the service, which does not apply to postal packets to or from *Eire*, may be obtained at any Money Order Office.

INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will, subject to the rules as to posting and packing, pay compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon payment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 3d.; and the scale of fees, and the respective limits of compensation are as follows:—

The Post Office does not undertake to re-direct when the letters or other postal packets can be re-directed at the place of address.

No charge is made for the re-direction of letters by an officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters are re-posted not later than the day after delivery (Sundays and public holidays not being counted), and that they do not appear to have been opened.

*Re-directed letters* which are re-posted later than the day after delivery will be charged a fresh postage at the prepaid rate, and any which appear to have been opened will be charged as unpaid letters posted for the first time.

**IMPERIAL AND FOREIGN PARCEL POST.**

**PACKING.**

Parcels for places abroad should be substantially packed with due regard to length of journey, conditions of transit, climate, etc., e.g., cardboard or ordinary brown paper is not, in general, sufficient packing for a parcel sent to a place abroad. For some countries special kinds of packing are required by the Post Offices of transit or of destination.

**CUSTOMS CHARGES ABROAD.**

Any parcel is liable to be opened for Customs examination abroad: and the contents are subject to Customs Duty according to the laws of the country of destination. The Postmaster General can give no information as to the Customs tariff of particular countries, but if the sender desires an indication of the amount of duty likely to be levied, he should apply to the Department of Overseas Trade, 35 Old Queen Street, Westminster, London, S.W.1, and 9-12 Basinghall Street, London, E.C.2.

**CUSTOMS DECLARATION AND DESPATCH NOTE.**

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The form or forms should be filled up in ink. *Undervaluation of the contents of a parcel or failure to describe them fully may result in seizure of the parcel, or in the imposition of a heavy fine.* The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.

For postage rates and for particulars of the Services to individual countries, enquire at any Money Order Office. See also Table in current issue of the *Post Office Guide*.

## AIR MAIL SERVICES.

Particulars of the services, showing Air Routes, Countries served, fees payable, etc., are given in the current Air Mail Leaflet, of which a copy can be obtained by applying at any Post Office.

The general regulations of the Air Mail are given hereunder:—

## LETTER AIR MAILS.

1. Any kind of letter packet may be sent by Air Mail, that is, letters, postcards, printed papers and commercial papers, and samples. An Air Mail packet may be posted in any of the ordinary ways of posting. It can be accepted for registration, but insurance is limited to letters and boxes for Holland and Switzerland. The ordinary arrangements for Express delivery and the use of the green label system (for articles liable to Customs duty) apply.

2. A special Blue Air Mail label must be affixed to the top left hand corner of every Air Mail packet. These labels may be obtained, free of charge, at any Head or Branch Post Office and at certain others.

If an Air Mail label is not available the packet should be clearly marked "By Air Mail"; but the absence of an Air Mail label may lead to delay.

3. Air Mail correspondence must be prepaid in stamps to the full value of the combined postage and Air Fee.

## PARCEL AIR MAILS.

4. Except where otherwise indicated hereinafter, the General Regulations of the Imperial and Foreign Parcel Post apply, e.g., as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Compensation, etc., see Post Office Guide.

5. Accepting Offices.—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels exceeding 15 lbs. in weight are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

6. The sender of an Air parcel must affix an "Air Mail" label to the address label of the parcel and to the relative Despatch Note, and should write the words "Air Mail" conspicuously on the cover of the parcel. He must also prepay, in the usual way, the appropriate inclusive rate of postage, see Post Office Guide.

7. In addition to rapid transit by Air service, an Air parcel is usually given speedy Customs clearance abroad. It is important, in order that these advantages may not be thrown away, that the relative Despatch Note and Customs Declarations should be very carefully completed in accordance with the general regulations.

8. Air parcels cannot be insured, except in the case of those for Holland and Switzerland.

9. Particulars of the Air Parcel Services available are given in the Air Mail leaflet. The latest times of posting can be ascertained by enquiry at the local Head Post Office.

Note.—During the winter certain of the services are either suspended or offer no appreciable advantage for mails from Great Britain—see current Air Mail leaflet.

Money Orders for amounts not exceeding £40 are issued free of charge in favour of "The Commissioners of Inland Revenue." For details, see Post Office Guide.

## Inland Telegraph Money Orders.

Money may be transmitted by Telegraph Money Order between all Post Offices in the United Kingdom or Eire authorised to transact Telegraph and Money Order business.

Commission is charged at the ordinary rate for Inland Money Orders; see above.

In addition to the Commission, a charge is made at the ordinary Inland rate for the Official Telegram, authorising payment at the Office of Payment, the minimum being 6d. (1/6 for orders payable in Eire), and a supplementary fee of 2d. for each Order is also charged.

The maximum amount allowed for a single Order for a British Colony, Foreign Country, etc. (£20 or £40, as the case may be), is stated in the *Post Office Guide* (Imperial and Foreign Money Order Services).

**Foreign Telegraph Money Orders.**

Money may be transmitted by Telegraph Money Order to most places abroad. Particulars may be obtained at any Money Order Office.

The charges are—A Money Order commission at the rate for Orders payable abroad; the cost of a telegram of advice at the rate per word for telegrams for the country in which the Order is to be paid; and a supplementary fee as follows:—For foreign countries (except Cuba, Egypt, and Iraq) and Newfoundland—6d. For the British Empire (except Canada and Newfoundland), Egypt, Iraq, Palestine, and Tanganyika Territory—1/- For Canada—6d. at ordinary rate; 1/- at deferred rate. For Cuba—4/8.

**TRANSMISSION BY AIR MAIL.**

Money Orders for payment in certain countries can be advised abroad by Air Mail upon payment by the remitter of a special fee in addition to poundage at the ordinary rate for Imperial and Foreign Orders. For further particulars apply at the local Head Office.

**General.**

Money Orders do not require a receipt stamp.

At the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, but when a good reason can be given for the delay in presenting it, an application for payment, subject to a deduction of 6d. is entertained. In certain foreign countries the period during which a Money Order is valid is less than twelve months—see *Post Office Guide*.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Post Office is not liable to any further claim.

**POSTAL ORDERS.**

Postal Orders for 6d. and for any multiple of 6d. up to £1 and also for £1 1s. are now issued in the United Kingdom, and in most British Colonies and Protectorates and certain other places abroad.

For details, see *Post Office Guide*.

The poundage payable in respect of Postal Orders issued in the United Kingdom is as follows:—

Amount of Order.	Poundage.
6d. up to 2/6 .. .. .	1d.
3/- up to 15/- .. .. .	1½d.
15/6 up to 21/- .. .. .	2d.

Broken amounts, but not fractions of a penny, may be made up by the use of British postage stamps, not exceeding two in number, in spaces on face of Order, or 5d. in value, affixed to the face of any one Postal Order.

Any sum up to £1 16s. 10d. can be sent more cheaply by Postal Order(s) than by Money Order.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Post Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

#### POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intitled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof,*" and are open daily during the hours appointed for Money Order business for the receipt of deposits of one shilling, or any number of shillings up to an aggregate of £500 in any year. There is no limit, however, to the amount which may stand to the credit of an account.

Deposits are received of any sums not less than a shilling, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Any sum not exceeding £3 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

#### NATIONAL SAVINGS CERTIFICATES.

National Savings Certificates (formerly known as War Savings Certificates) may be purchased at most Post Offices. The purchase price is 15/- for each Certificate, which is repayable at any time on application together with any interest which has accrued. A single Certificate becomes worth £1 at the end of ten years.

For further particulars apply at a Post Office.

#### PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest a sum in Government Stocks at the current price of the day, and may sell at the same. ### Post Office Telegraphs.

TELEGRAPH AND TELEPHONE REPRESENTATIVE (INLAND AND OVERSEAS).

Telephone No. Off. 49.

#### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 6d. for nine words (1s. 6d. for Telegrams addressed to Eire for the first 12 words), and 1d. for each additional word. Addresses are charged for. Telegrams handed in on Sundays are charged 6d. extra.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the receiver of a Telegram doubts its accuracy he may have the whole or any part of it repeated without charge so long as the original telegram form is on hand at the office of origin.

The cost of a reply may be prepaid up to a maximum amount of 4s. (I.F.S., 4/6).

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and  $10\frac{1}{2}$  as two.

All Telegrams for delivery at addresses within three miles (one mile in Eire of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a Telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

#### NIGHT TELEGRAPH LETTERS.

Night Telegraph Letters, which must be in plain language and must bear a full postal address, are accepted at any time by telephone or at any Telegraph Office which is open to obtain delivery by post the following morning in Great Britain or Northern Ireland, and to the following towns in Eire, viz., Cobh (or Queenstown), Cork, and Dublin. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. (1s. 6d. for an address in Eire) for 36 words or less, and 1d. for every three words beyond 36. The usual additional fee of 6d. is charged on Sundays.

#### REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a registration fee in accordance with the following scale of charges, dated from the day of registration:—

For a period not exceeding 3 months	.. .. .	£0 12 6
For a period exceeding 3 months but not exceeding 6 months		1 5 0
For a period exceeding 6 months but not exceeding 9 months		1 15 0
For a period exceeding 9 months but not exceeding one year		2 0 0

The address must consist of two words, one of which is to be the town or place of delivery.

An abbreviated address, for use solely in connection with telegrams from abroad, is given free of charge to firms engaged in business in connection with which telegrams are received from overseas.

#### DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.

#### GREETINGS TELEGRAMS.

Messages of greeting, of congratulations or good wishes can be delivered on gaily decorated forms, enclosed in golden envelopes, on payment of a flat rate of 3d. in addition to the usual charges. The word "Greeting," which is not charged for, should be written before the name of the addressee. The service is not available to Eire.

## METEOROLOGICAL TELEGRAMS.

The latest information as to the state of the weather in various parts of the United Kingdom and Eire (Ireland) or the Continent, and also forecasts to cover a period of 24 hours from the time of issue, can be obtained by telegraph from the Meteorological Office (telegraphic address, "Weather Telex, London" by sending a reply-paid telegram. If a normal weather forecast of surface conditions only is required, the number of words to be paid for in the reply should be 10 in addition to the telegraphic address of the enquirer. If additional information is required, as, for example, a forecast of the upper wind, or if a further outlook of the probable conditions beyond 24 hours is desired, an additional 5 or 10 words should be paid for.
